How Can I Help?

- ♥ “Adopt” a Pantry, Kitchen or Shelter
- ♥ Ask your organization, school, friends, employees or house of worship to help
- ♥ Announce the drive at your meeting or in your newsletter
- ♥ Put out a posted collection box in a high-traffic area
- ♥ Be the first to make a “Donation of Dignity”
- ♥ Call one of the area coordinators in this brochure for ideas and suggestions
- ♥ Invite a Donations of Dignity volunteer to speak at your next meeting!

Food Bank Hunger Statistics

36 % of people using food pantries have at least one adult in the family working. Their median income is \$750 a month

57 % of these people live below the federal poverty line

75 % are food insecure, meaning they do not know where they will find their next meal

28 % experience hunger, meaning they are completely without a source of food

27 % receive food stamps

37 % have to choose between food and utilities

30 % have to choose between food and housing

23 % have to choose between food and health care

62 % are Caucasian/white, 20 % are African American, 16 % are Hispanic and 2 % are other racial or minority groups

Inadequately or malnourished infants and children are apt to have both learning problems and more illnesses. These usually remain lifelong complications that can't be 'made up'

Why A Personal Care Drive ?

Imagine being hungry, but also unable to purchase soap, shampoo, deodorant ... even diapers for your baby.

Food Pantries, Soup Kitchens and Emergency Shelters struggle during difficult economic times to provide basic, necessary nutrition to children, seniors and working families.

Personal care, cleaning and hygiene items are taxable and cannot be purchased with food stamps.

"Basic needs extend beyond food, shelter, and clothing. We all want to feel good about ourselves; approach each day with the sense of renewal that personal care items bring. The Donations of Dignity Drive affords that opportunity to so many people in Ulster County."

- Jan Whitman
Director
Food Bank of the Hudson Valley
